

QUALITY POLICY

Quality is an integral part of DCS Electronics, Inc's business principles. These principles are essential for the achievement of our ambition to be recognized and trusted as a leader in the design, integration and fabrication of products that are safe, compliant, and exceed customer expectation. Our commitment is to never compromise on workplace safety. Our core values guide our actions to create a positive working environment that perpetuates continuous improvement so that every product is right-first time, every time. This requires everybody to be engaged, understand their responsibility, and work together as a team striving for excellence in all we do.

Chris Combs
President, DCS Electronics Inc.
